I grew up with Chuckie and Shelby, and she wasn't biologically my grandmother but I called her Granny like everyone else. She was a very sweet woman and I am deeply saddened by her passing. I would just like to send out well wishes to the family grieving at this time. The sadness will get easier to deal with but her memory will never fade. Rest in peace, Granny. We miss you.

Tricia, it makes my heart sad to hear that your mother has gone on. I have many childhood memories in my heart with the Thurman family. Your mom treated me as her own family. You will be in our Prayers.
