I am so very sorry to hear about Patricia's passing. I saw her a lot when she was working at Sam's and really enjoyed talking with her and hearing about her family. We had known each other since first grade and she had the same sweet spirit each time I saw her. Please know I will be praying for you.

I was so sorry to hear of Patricia's passing. I always thought the world of Patricia and her family. We grew up in the same general area but I have not seen her since graduation. My deepest condolences go out to her family.
