“ I always remberes when uncle Bob was truck driver and would back up his semi into granny and papa’s driveway and they would always have to call a cop to stop traffic so he could back it up. And going down south to visit him and Shawn and Little Lisa on our the way to our vacation. He made a lot mistakes in his day but no ones perfect but the thing i love about him is that even towards the end he was making amends with some of his kids and be a good man he will be missed. Atleast he’s in heaven with his brother Uncle D and Granny and Papa now. Love you uncle Bob!
