“ Such a special lady! All 3 of my kids loved her as their Sunday school teacher in 1st and 2nd grade. She loved so much!

“ Mrs. Ester Triplett was one of those special people who came into your life, and changed it forever. She was not only a mother and a grandmother, but also one of the best "Nana's" to my two children, that God ever placed on this earth...she loved and cared for them like they were her own.....she worked tirelessly in her church. She taught Sunday school, sang and was always helping others. She took classes and learned to decorate cakes. If she knew you had a birthday, you were sure to get one of her special cakes. She spent hours in her kitchen cooking , baking, and was usually singing. If you ever visited her home, you never left hungry or empty handed. She was my right hand as my children were growing up... if I had to work, no school party or special event was missed. She always showed up, with cookies or treats for the class. She was always there when you had a need. Wether you were sick, down, or needed prayer's, you could count on her and her precious husband. I will always be so thankful that God blessed my life, and the lives of my children, with this precious lady.....
