“ I'll forever remember my Mamaw. She was so talented and cooked the best of dinners. She was stircked however she sid it because she loved and cares so much! She will always remain in my heart and memories. Mamaw was such a huge part of my life growing up. Once I moved at 14 to south Georgia I didnt get to see her again until 1 more time for 1 more snuggle and to show her my 1st born son. I love you mamaw.

“ I would call Gladys every day and night and she helped me through the loss of my mother,which was her best friend of 30 plus years! I work on the road, so if she heard of a bad accident she would always worry that I was involved, the same as my mother use to! She always said she loved me, my kids,and grandkids, that we were a part of my mother who she loved very much! If there's flea markets in Heaven those 2 are there!!! I will miss her so much My heart and prayers are with her family as they say goodbye to such an angel

“ I remember when I first met Sammie's momma. I got the 21 question (as a parent should always get) I answered all her questions and I even asked her questions such as if she may have knew my Mawmaw etc. I think I made her laugh at one of my questions. And I don't know how the conversation got to health issues but we started talking about that. Now I know how that got brought up my brother. Then it just went from there. For me that was the best 21 questions I have ever had and conversation. I knew from there she has a beautiful soul and personality. She will forever be missed.
