

Gregory "Greg" Bryan Kinard

August 28, 1955 - October 17, 2020

On Saturday, October 17, 2020, Gregory Bryan Kinard left this world unexpectedly and much too soon. He was a loving family man and proud father. Greg was born August 28, 1955, in Augusta, Georgia, to Gene and Murrell Kinard. He lived most of his life in the Chickamauga, Georgia area. Greg graduated from Gordon Lee High School in 1973 and was honored as "Mr. Gordon Lee" of his graduating class.

Greg was a "Jack of all trades", and a master of many. He was a gifted carpenter, starting his own company as a custom home builder in 1989. He attended West Georgia College and UTC. In 2003, at the age of 48, Greg graduated Cum Laude from Pellissippi Community College with an Associates Degree in Chemical Engineering. He then began a career with Teledyne Brown Engineering, eventually moving to H. T. Hackney Company. Greg had a real love for the great outdoors, the beauty of nature, and wildlife. He was an avid hunter and fisherman. The best times of his life were hunting with his son and apple of his eye, William Kinard.

He lived with Jesus in his heart and in his life. He was of the Baptist faith. Greg was preceded in death by his father, Dr. Gene Kinard. Greg is survived by his mother, Murrell (Great Gordon) Leonard, his loving wife, Joan Kinard, and his only son, William (Katie) Kinard, all of Chickamauga Georgia, his oldest brother, Jeff (Cindy) Kinard of Rossville, Georgia, his sister, Alva Kinard, of Knoxville, Tennessee, and brother, Jerry (Tracy) Kinard of Trenton, Georgia, and several nieces and nephews.

The family will hold a private memorial service. Greg's candle burned brighter than most. Now, the day is not as sunny, the wine not as sweet, but it will be soon. Our hearts are heavy over our loss. We know Greg would thank all the great people who walked with him through his life's journey. We appreciate your thoughts and prayers. We love you, Greg... always! “ I’m gonna miss you. I have so many Sweet memories of you and Jerry on job sites doing your thing, Making America Great.

I will miss more than anything hearing you and Jerry talk about music and of course, your contagious smile. You two could talk about music for days.

You were loved on this earth. Until we meet again in heaven, so much love.
