“ My heart and prayers are with you all today Toni D'Andrea Moore as you, and all the family are having Harold's Memorial Service as I am writing this message. He truly was a good man, loved, and will be missed by many! To end my post on a funny remembrance of him...when we were kids, I will never forget all of us having one of his black angus cow's named Hercules as a pet...we even tried to ride him which was insane, but one day while eating hamburgers at your home, and after we were almost half way finished, Harold walked into the kitchen, and just very straight faced, and directly looked at us, and ask, "how does that Hercules burger taste?" Boy, did he get a response from all of us on that comment! Of course, he just had that half cracked smile on his face, and then turned, and left the kitchen! I am truly thankful he lived a full life, and was a good husband, father, and grandfather to you all as well! May you RIP Harold, and I am thankful that I was privileged to have known you in my life as well!

“ I am very sad to hear that Harold has ended this journey on earth, but Beulah Land is a far better place. I have fond memories of a weekend camping trip to the Smokies with Harold and Chris and I share that experience with people often. He has a special place in my heart. My thoughts and prayers are with the family. I love you gals and guys. - Doug Parker ”

“ Uncle Harold was an extraordinary gentleman. He was active member of the greatest generation in US history. Uncle Harold was known to literally give the shirt off his back if needed. He was an exceptional dad, husband, uncle, friend, and sports fan. Uncle Harold was my uncle, and I couldn't be more proud to have been his nephew.

RIP and tell dad hi in heaven.

I love you and will miss our Georgia vs Georgia Tech and Tennessee conversations. I will always treasure the University of Georgia National Championship painting you gave me several years ago - it hangs proudly in my home office.

“ Family may be separated by distance making it hard to see each other face to face but time nor distance can ever erase memories that have been made. I always cherish the memories that I have of the past when we lived on one hill and you and all of Uncle Deeds family lived on the next. God bless all that share the memory of you. Love to all from my family Douglas Walker
