“ David wasn't just my cousin but my brother, my momma Emma Keil helped raise him. David was planning on a trip back home here to Toledo to pick up his momma's ashes that are still in my momma's house. Our family isn't mentioned in the obituary but we kinda figured that...smh. Anyone that knew David, knew he had a heart of gold but don't cross him which he got that honestly from our side of the family & definitely his daddy Jack too that didn't like me much. Oh'well... he's at peace now, God rest his soul. He might be gone but NEVER WILL BE FORGOTTEN!

“ I remember the look of excitement on David's face the day he came to the farm to pick up his puppy, Thor! I am so very sorry to hear about David's passing. Please know that I will continue to pray for the Cooper family.
God Bless,

“ The greatest memories I have of Jack David was how he treated my daughter Jessica that passed away and then how he treated my other daughter Brianna he was very good to both of them he treated them like his own kids and they loved him dearly. He will be missed. Other memories of how we cut up with each other about football games his team versus my team. he would rag me out about Kentucky and the Packers and I would do the same to him about Ohio State and Dallas but it all was in good fun.
