“ Eva, I'm so sorry for your loss. We know that he is out of pain now and with his Lord Jesus. I have so many memories from the past fifty plus years of you and Waylon. I know personally how hard it is to lose your partner, but I know God's grace is sufficient. I've always loved you and your family. I will be praying for you and your family. Helen Jenkins Murray

“ So blessed to have met you in 2007, and found out we were cousins. You had so much knowledge of a part of my family I barely knew. And it was like we'd always known each other. So enjoyed all the times we got to talk and all the information you gave me, and I have shared with others I have found through Ancestry, so as long as we can, we will, carry it on through the generations. I'll see you again one day and

we'll have a "REAL FAMILY REUNION!"
