“ Doug & I grew up together. He was a kind, sweet boy who grew into an awesome gentleman. We stayed in touch through out the years and I can tell you he loved his family. Doug will be missed by all who knew him. Prayers for his family.

“ Doug and i have been close friends for 53 years. he was a kind, and forgiving person, who put others feelings first. He always fought to overcome bad breaks in life without complaints. kind of guy that would, give you the shirt off his back. We called each other Brother although not actual kin. I will miss him dearly. Leonard Baker

“ Shane, Darlene, and the rest of the family, I am very sorry for your loss. Doug will be greatly missed by many. He was filled with kindness and genuine care for everyone. The world would be a much better place if everyone showed as much kindness to others as Doug did.

“ I remember the very first Thanksgiving I lived in North Georgia in 2012, Doug invited me to come and share dinner with himself and Darlene and the whole family. I was never treated as a "step daughter in-law" ever. He was my father in law and my daughter's grandfather. He never missed or forgot holidays or birthdays for me, my husband and my daughter. Ever. I will never forget the kindness he showed to me. Such a sweet spirit. It breaks my heart to know of his passing but I know that if anyone deserves angel status it's him. He was an angel on Earth but now it's finalized. Rest in Heaven Papa Doug. Larry, Kyra and I will all miss you so, so much.

“ Hi Darlene, so sorry to see this, I ran across this because my aunt is at Wilson in Ringgold. I'm so sorry for your loss.

“ I did not know Doug well except by watching the wonderful connection and love between Darlene and him. As Darlene's "former office mate" I witnessed the outpouring of love between the two. Doug, you brought humor and love into the world and you will be missed.
