“ I was a student of Dr. Porter in 1980 and 1981. Absolutely loved his classes. He had a wonderful smile, kind and warm eyes and I think he truly understood students. God blessed him with a long life and now he has his reward for a life well lived, serving Jesus Christ. I look forward to seeing you again, Dr. Porter.

“ Im just seeing this, but I just wanted the family to know, I count it a privilege and joy to have known Dr.Porter and his wife. I was a student at TTS, and had the opportunity of working as a secretary to Mrs. Porter.

“ I had Dr. Porter for New Testament Synthesis and I and II Corinthians. I still have his class notes and appreciated his attention to detail. All of us loved his modified true and false statements. Just kidding

“ We have many, many memories of Wymal. First, he was my Bible teacher at TTU. Later, we taught together at TTU. Then, after we moved to FL, he and his wife, Evelyn, hosted us many times on our way to and from FL. Boy, could she make wonderful treats, all of which we enjoyed. After his wife's death, Wymal soon moved into assisted living in East Ridge. We visited him and enjoyed meals at Cracker Barrel and Wally's. He loved that fried chicken. We visited times with him at Rosewood; he enjoyed his chocolate also. As we visited him on May 30, we realized that might be our last earthly visit together. Praise our Lord, Wymal is now with his savior rejoicing with those who went before him.

“ Dr. Porter was a beloved scholar and teacher. I was privileged to take every course he taught in the early '70s. Now retired after 40 years of pastoral ministry, Dr. Porter continues to hold a special place in my heart and memory. Larry Halsey, D.Min.

“ Dr Porter was the Bible teacher that had the most impact on my life. I took every class he taught. My most memorable moment was when he in OT Survey taught the various views of "good men" - when asked what view he held his response was "Young men someday you will be asked what you believe and it is important you know you believe and why. It is also important that you realize good men hold different views. Still review his notes he impacted so many men in the ministry today. Thank you Lord for putting Dr Porter in my life.

“ I shall forever hold Dr. Wymal Porter in high regard. I had several classes under him; preached for him at Union Gospel Mission several times on Wednesday nights; had him in conferences in my churches and respected him for his kindness and willingness to discuss difficult Bible passages with those who were his students. He will be greatly missed.

“ Wymal was a great liver of God's word. Had him for Old Testament Survey in 1967. Being my dad and him had been in Seminary together I had a leg up with Mrs Porter as Dean of Women. She was always watching on the dating parlor room. We as a family have pleasant memories of a godly couple now United forever with our precious Lord. Well done Wymal Porter, well done. You and Dad I'm sure are in some deep theological discussions.
