“ She and Randall and their 1st 2 children, Lance and Shanna were my neighbors for many years. My nephews and nieces were their playmates as well. They were such a shining light of Jesus Christ. They were an exemplary Christian family and were some of the best neighbors we ever had. When they moved away, they were sorely missed. I will always treasure my memories of Marlene. She and I are both alumni of Rossville high school. My condolences to Randall, their children and grandchildren. You have truly lost a heavenly angel!!!

“ I was so sorry to learn of Marlene's passing. We first got to know each other at North Rossville Elementary School. Then years later we were together again while our daughters played softball at GPS and summer ball. Marlene was always there supporting Lacey and the team. Those are such fond memories for me and I am so thankful I have them and will always remember Marlene for her spirit, kindness and the love she had for her family.
Sending all our love and prayers for the family,
Melissa Whitaker and family

“ Lots of great memories but one of my early ones was from Shearer Dr in Rossville! You watched me run from your house to mine during a terrible thunder storm. Not sure if I ever made it home but do remember you watching and holding your door open for me to return after several attempts! Smiling and I'm sure laughing!! Our loss is Heavens gain.
