“ Nell was truly an inspiration to me. She was such a special friend to me and I will miss her so much. She made everyone she met feel important and loved. I believe that she was a perfect example of what God wants all of us to be. She was faithful, kind, loving, and constantly giving God the praise for every good gift she had been given. I would have loved to keep her at least 10 more years, but that was not to be. I know she is dancing on streets of gold with her Savior and Lord and she is probably heckling the heavenly choir director as we speak.

“ The world has lost a special lady. She was also a joy to be around, and we will miss her. Our loss is Heaven's gain! One day soon.....

“ My Aunt Nell was always so gracious and warm to my family whenever we came to visit from Houston. On our first visit, in March 2005, she and Jerry immediately took us under their wings and made us know that we were among family now ... and forever. I'll remember and admire her always for her big heart, her strong faith, her spirit of adventure, and for that wonderful sense of sass (with, dare I say, a hint of mischief!) that laid behind her perfect smile.

“ Mrs. Nell was such a special friend. She loved her Lord, her family and friends well. It was a privilege to minister along side her in the choir and in dramas at Woodland Park. Her spread light and joy wherever she went. You will be missed sweet friend!

“ Nell was a very special lady... she was always faithful, always expressing how good God is, always giving an encouraging word and walking away with an “I love you.” Love her and will miss her so much.
