“ Shirley, we have so many sweet memories of our growing up years. You are a special sister and there is now a void in our family here on earth but know that we will one day be reunited in our heavenly home. I know that you are so happy to be with David once again and to see Mother and Dad and Jim again. We will miss you, sweet sister. Love you.

“ Although I didn't know you very long, Shirley, I am very glad I met such a sweet lady. I wish I could have met you many years earlier. I know I would have enjoyed your friendship at church.

“ When we had our twins, Shirley came to Anniston and helped. It was a real blessing. She always wanted to help. Another family member will be missed. Love you Shirley.

“ Our sincere sympathy to the Gasaway family in Shirley's passing. We always looked forward to seeing Shirley's smiling face at the Tennessee Samborees! She cheerfully and patiently hosted the Mexican Train tournaments, which I particularly appreciated.

“ Oh how our sweet Shirley is going to be missed. We will never camp out or play dominoes without thinking of how much she loved to do both. Tennessee Good Sam has lost a true friend, as well as members of Cherokee Trail Good Sam Chapter #23. She put up a courageous fight and showed the doctors that only God knew when her time would be up. Rest well, sweet Shirley! You are at peace now with your Savior and with the love of your life, David. I'm sure he was there to welcome you to your new Home!!

“ Shirley, my sister-in-law for 52 years, my friend for 58 years, and always the sister I never had. Oh how I will miss you and your influence on my life. I cherish the shoulder you always gave me, your strength never ending, the good times we had together, and my brother David we shared for all those years. Your faith blessed me and led me to a closer walk with our Heavenly Father. You were humble, loving, sacrificial, giving, devoted, and never stopped being all that you could be for all of us. This past year and a half you suffered more than I thought could be possible, yet you smiled and always said "I'm doing all right, I'm okay". Heaven is now your home and I can envision your first glimpse of Jesus and the peace and joy you will have, never ending. I will see you again, you just got there before I did. We are separated by the great divide but I will always feel your presence in my life. Until we meet again, I love you and I am so glad God gave you to me on life's journey. I wouldn't have wanted to travel this road without you.
