“ Through my short time in knowing Susan, I'll always remember her smile and contagious laugh. Susan had a kind spirit that will continue to be with her team members at BCBST that prayed for her daily and hoped for her quick return. She will be missed by so many at BCBST! I'll continue to pray for Jason and the family during this difficult time and days ahead.

“ To my nephew Jason Holloway and all the family and friends of Susan Simpson Holloway my prayers and condolences are with you all. I am deeply touched by the passing of Susan. I will always remember her warm nature that made me feel welcome and as family every time I was in their home. I will also remember her cooking and what a great cook she was. And also how she had a special joy and remarkable pleasure in making sure you enjoyed her food. She really enjoyed celebrating around the dinner table and making sure you ate to your content. That was truly a great gift and wonderful talent that everybody knew. I have truly never known a more remarkable and gifted and special person than Susan. She will forever be missed and never forgotten.

“ I will miss her wonderful smile and laugh. Whenever I hear "loitering with intent" it will be her voice that I hear. She was a wonderful person whom I was privileged to have met. My heart goes out to her whole family.
