“ I saw you in my dream last night and woke up in tears. Not a day goes by that I don't think about you and wish I just had one more day with you. How I wish I could just pick up the phone and call you and take a trip down Walker Lane. How I wish I could go back and make better choices and be there for you like all the times you were there for me. Your love was unconditional. I miss you more than you'll ever know.

Love,
Kayleigh.
