“ *Tuck was such an awesome man and an even better friend. Our hearts are saddened but we know OUR FATHER IN HEAVEN has an outstanding ANGEL!*

Mark and I would go to his house and look for another toy to play with! He had so many that we loved when we were kids. For that short period of time during our visits we all three played like children, laughing, and sharing stories. Tuck was an excellent story teller and we will forever cherish his stories, his friendship, his heart and his soul.

Mark and I pray for comfort for all Tuck's family and for all of us that loved him.

Tuck, we know that you and Chuck are sitting on the fluffiest cloud in HEAVEN watching over us. Until OUR FATHER CALLS US HOME we love and miss you

“ Alan was my Stepdad for many years and I will never forget those moments we jammed to The Bee Gees, Fleetwood Mac and Goosecreek Symphony in the car going to the football games or the car parts store. Lord knows he always had that one bolt he never could get out when working on cars 🛠️. I had nicknamed him Mr. One Bolt. It was something not many people knew. I have several great memories and when he coached my football team. He will be greatly missed.
