“ I remember him always and I mean always....him doing loop de loops in his chair, he was constantly moving in that thing. I will truly miss him and all his craziness. I loved him as if he was a true brother of mine. He helped me through the roughest part of my life, losing My Chelsea Bug. He had a big heart and a loving soul. RIP Monroe and know you will be missed by many.

“ When I was a kid back when Alec Jr was just a baby I used to spend weekends with Monroe and Jane. He’s the one who taught me how to eat rare steaks. One day he was playing with Alec, he said one day my son is going to be a smart man. I replied great just what the world needs, “another smart Alec.”
