“ Alan

*The angels looked down from heaven one night
They searched for miles afar, And deep within the distance They
could see a shining star. They knew that very instant That the star
was theirs to gain, So they took you up to heaven Forever to
remain. Look down on us from heaven Keep us free from hurt and
pain, You'll always be within my heart Until we meet again.*

*Love you & miss you

“ Alan and I grew up together. I have so many memories. One is when he pulled up to the house and took my son Robert into his truck and let him blow the air horn. Rob was about 2. He watched over me when Bob was overseas and I helped him take care of his Mom. My brother was married to Alan's sister, Geraldine.

To the family: May our Lord Jesus Christ embrace Alan and your family during this time of grief. We will see him again.
