Debbie and family, I am so sorry for your loss. I met Allen when he first began to renovate the Bomar St property. He was a good man and very helpful to me when I was doing projects at my house across the street. He will be greatly missed. Keeping you all in my prayers.

“ *I will miss my Uncle Allen. I will always remember how positive he was even when facing the trials of cancer. He loved his family. He was a source of calm and assurance after my mother's death (his oldest sister). I loved seeing how close he and my Uncle Alvin had grown and the friendship/brotherly-bond they developed over the last 15+ years. He wanted peace for his children and family. I am reminded of the verse my grandmother believed and shared with her children upon her passing: James 4:13-17*

“ Allen was a strong man dedicated to his family. He always wore a smile, and was always willing to share his knowledge. If you ever needed help he would go out of his way to help. On a side note he could cook the best steak you could ever eat. To a good friend may he rest in peace. Prayers for the family, so sorry for you loss.
