“ Amy was a great friend, even though I haven't talked to her in years, it really hurt to hear that such a sweet person left so soon. Beautiful inside & out.

“ Amy growing up was always so kind hearted. All the cousins had fun times running around in the community - riding bikes, floating tubes down the river, shooting pop berry wooden guns made by Uncle George (staining up our clothes) - such great memories. Amy, you will be missed but not forgotten... 💕💕 Chasity

“ I have thousands of memories with Amy. She was such a huge part of my teenage years and so many fun and amazing days and nights were spent together. At 17 I even moved in with this family practically. Truly one of the most kindest person I have ever had the opportunity to meet. So thankful we had all of those years together. Best memories would be the football games in the field against the other Shady Crew kids and the railroad tracks shootout games with our pretend guns. Yes we were 14 and still doing this 🤪 and we loved every minute of it. My sister and I had just mentioned this past weekend the chestnut trees. Amy had asked whatever happened to them and I replied they are still here and she said uh uh they don't make them anymore 😭. That was Amy. Simple and always able to make you laugh without even trying. Rest now sweet girl and we will continue those games on the other side ❤️
