“ *I only knew you for a short time, but it was an unforgettable time!!! The 1st time I met you, you actually came to fix my cousins blazer but little did you know, you was going to be mind blown by a female doing all the work that you had planned on doing! You kept me laughing by your looks and comments about a female knowing what she was doing! You kept saying show me more, show me more, show me more! I'll never forget you sir, you had such an amazing attitude and always talked to me about the love you had for your children! You Will always be loved and never forgotten!*

There are many things that are uncertain in this world. But the one thing I know for sure is that Andrew truly loved his children. He was a very good dad.
