“ *My sympathies go out to Andy's family and friends. You will be in my prayers.
Andy was my Friend... He was always warm and caring soul, upbeat and always optimistic. He encouraged me in ways we could all learn from, with care and diligence.
Though today I am selfishly saddened, I, too, will rejoice that Andy is with Him, for he is eternally Home. ❤️*

I just learned of my old friends passing. I had lost track of him over the years. I was with Andy in the worst of places and he always kept it positive. A truly good human being.
