“ I've thought about Angie a lot lately. Should never put off til tomorrow because for me tomorrow will never get here. I so wanted to be able to see her again. Angie and I shared a lot through the years and maybe she never knew how much she meant to me, but I loved her dearly and will miss her always.

“ My nana left some great memories that will never be forgotten. I will cherrish every moment I had spent with her. She was always great to me, But now i know she is in a better place. The one thing I will never forget was when I got out of school she would always make me some Tomato soup. She knew that was my favorite soup. I miss her dearly and she will always be close to my heart. I know that she is looking down on all of us smiling. I felt comfortable with telling her anything. I thank God for putting her in my life. She was a blessing. I will never forget the memories she left with me. Nana, you will be missed. R.I.P. Nana.
