“ I loved Angel. We played basketball and softball together. She was an amazing athlete, but even a better friend. The day my mama passed away in 1993, she was the first person to come to my house to be with me. She a precious soul. She didn't realize how beautiful she was on the inside and out. I can see her now in my mind running down the basketball court with that pony tail swinging back forth with that beautiful blonde Hair. I'm so honored to be her friend and teammate. #warriorett4life
