“ We are very sorry to hear of Mrs. Sonnefeld's passing. She gave my husband and me, her little poodle, Susie a couple of years ago when she was moving to California. She called Susie a couple of times to find out how she was doing and it was so nice to talk to her. Susie came to us with all kinds of toys and a blue blankie that she slept on along with some Blue Buffalo dog food. She treated her good when she had her. We love Susie and she is doing well. She has a little sister (a long haired dachshund) 8 weeks old now to play with. We tried to ease her mind about leaving Susie behind, because it couldn't be helped. My husband Doug delivered Mrs. Sonnefeld 's Senior meals and got acquainted with her at her door back then. He works at Lafayette Walmart now and saw the obituary at work today. I just had to post something because we thought a lot of her and wanted her family to know how sorry we feel at the loss of your mother. Sincerely, Doug and Judy Dodson
