“ Gail was more than my friend she was like a sister. I have known her for 71 years and we had planned a trip to Florida this summer to see another dear friend. I will sadly miss her but I know she is with Jesus and I will be with her again. My thoughts and prayers go out for her family.

“ *Gail and I have been best friends/sisters since we first met at 6 years old starting first grade together. We grew up together and taught each other true unconditional love and life long friendship. She was my sister and we fought like it.....especially when we would fry potatoes and make corn bread together and watch out if I got just a bit more than her... and we both still love fried potatoes. I miss you everyday! I love you dearly Rest In Peace my friend!*
