“ My condolences to the roe family and the chambers family, Anita was a very good person, she was the mama bear of the family, she helped her family stay together so many times over the years, I grew up in the chambers family, I married Anita's brother William at 16 years old, they taught me a lot, and they are a very strong family. Anita will be missed greatly, and I said a prayer that God will bring comfort and peace to the family during this very sad time, I'm proud to say this is still my family
