“ I haven't known her very long but I met her a couple of years ago. How we met was I got a puppy from her and now every time I look at my little Lucy I will always know that Marcy will always be with me. Marcy always enjoyed me sending her picture updates of how Lucy grew up from her being a pup until not too long ago. She will be sorely missed and every time I look into my dogs big brown eyes I will see Marcy smiling back at me. My thoughts and prayers are with you all and yor family.

“ To Marcey's Family,

Heaven will be brighter for the addition of her big contagious smile. Earth will be darker with the sadness of losing her too soon for our minds to understand. She fought cancer the way she lived;; bravely and with grace, humor, kindness, and dignity. You are in my prayers.
