“ *Juanita, I will always love your mother! I enjoyed the times I was blessed to sit with her and work puzzles. She taught me some good tips! We made fancy tea and always had a good time! She is a precious lady and I will always love her! Love and prayers to you and your family!*

Juanita, I am so sorry for your loss. I did not know her, but she had to be a wonderful mother because of knowing you, her daughter. It's hard when we have to give up our mother, but comfort to know we will see them again.

You all are in my prayers.

“ *Juanita, Doug, your mother was a refined and dignified lady that I will always remember as the lady who couldn't be fooled. She didn't believe for a minute that I just stopped by and decided to wait until you got home. She said she didn't need a "babysitter" and I should just go home. She was great at puzzles and loved beauty and order. Great lady.*
