“ I will always remember going over to their house with Missy and us playing together as children and Sue treating me as if I was one of her own, our summers when we would go to the lake together and we would all spend the day together, mom and Sue and all of us kids we had a blast, those memories will always be great ones..... I cherish all of our great memories with Sue and even Cecil was in the mix of most of them all, this beautiful woman did get her wings and now she is watching over all of her children and her family, and she is walking those streets of gold with Jesus and waiting on her loved ones to come join her when it's their time.....

“ You always treated me like I was one of your girls. You taught me how to make the best country fried steak & most importantly how to take care of a newborn baby when I was just a baby myself. Many times, I don't know what I would have done without you/y'all . I have thanked God many times for you guys. I have no doubt you're in total peace & never ending joy now. I pray Abba gave you an extra special gem stone in your crown for all you did for those he put into your life to care for, including me. Thank you, I love you 🌹
