“ *Mr. Garrido, Bobbie, and Leon,  
I'm so glad I got to meet Keiko and each one of you. I wish I could have met her before she became sick. She had to have been a very special lady because each of you loved her so very much. It was obvious every time I visited your house. I pray the pain in your hearts right now will be replaced by wonderful memories of how much she loved you in return. I also pray that God will comfort you with the truth; you WILL see her again. The best thing about seeing her again is that she will be healthy and complete!*

*In Christ,  
Karmon*
