“ Tony was always a pleasure to see at work. Always had a joke and a smile on his face no matter how he was doing or what was going on. Always spoke well of his family, specifically his wife, Renee. Always enjoyed his stories about the reenactments he was a part of or some bike trip he and Renee had taken. Lovely, kind people that I was blessed to have crossed paths with. He will be missed. I am so sorry for the family's loss. Tonny was one of the good ones.

“ This is such a shock to hear. Billy is out of town this weekend and very upset that he can not be there. He and Tony go back a long way. At one time spent a lot of time at our home. Please let his Joyce, Joy and Chad know that we have them in our thoughts and prayers. To his wife we are so glad Tony found happiness with you. We are so sorry for your loss.

“ *Tony and I swam together in the 1970's. He was a very competitive guy who always made you work hard to keep up with him.*

He had a good sense of humor. His whole family was a joy to be around. I especially admired his father, who unfortunately also passed away too young.

I am a woodworker as well (amateur), and even though I haven't heard from Tony since high school I'm sure we would have had a lot to talk about. Like table saws, routers, drill presses, etc.

It sounds like he left behind quite a legacy. Life is too short but precious and meant to be lived as fully as possible. Rest in peace, old friend.

“ I have so many memories of Tony aka Stoner all I can say is he was a man of few words. I remember asking him once why he didn't talk much and he looked and me with his blue eyes and said I don't have anything to say. I like to stand back and listen and take it all in. Couldn't help but love him. But if you ever needed him he was there always. He is so going to be missed. Renee you are in our prayers. Glad I had the privilage to know him. He was a brother to me and Cuz and you couldn't ask for a better person. R.I.P. Stoner, Ride With Forrest

“ We are gonna miss you Stoneman. You were a good friend and a Good Ol' Rebel. It won't be the same sitting around the fire and chasing Yankees without you. I'm sure you are sitting up there with Lee and Jackson looking down on us right now. We will see you again some day and sit and laugh about the fun we've had over the years. See you soon Stoneman.
