“ Our hearts and love go out to Sheri and the entire family. Tony was my Mom's neighbor. When I lost my Dad last year, Tony always kept an eye on her. I will be eternally grateful to Tony and Sheri for their love and support towards my Mom. My family is now here for you.

“ My heart is broken and will never be the same. Tony used to tell me we were a fairy tale and that we had come full circle. I love you so much Tony and miss you beyond belief. Everywhere I look I see you. I will never forget all the love and memories we shared. I really don't think I can go on without you. Please help me God!
