“ We are saddened by the passing of Uncle Archie; you all have our deepest sympathy. We send our caring thoughts and loving prayers to all of the family. Uncle Archie was a blessing and will be dearly missed. Those who knew him knew that he was a prankster and when he and daddy (Pete Douglas) were together they were a mess! The loving memories that I have of him will live forever in my heart.

May the outpouring of love from those around you bring you all comfort; and may God's love bring each of you peace and strength.
