“ There are no words. It doesn't seem real. I guess we just all thought she would overcome this too. I remember how much my mom (Clara Hughes) loved her so much and how precious Audrey always was to mom at Community Baptist. Her smile never dimmed during her treatments and she always kept her sense of humor, which was her way of dealing with the disease. The world is darker without her, The grace and strength your family has shown during her illness is amazing. The prayers from Jim and me are that God will strengthen, console, hold you, give you peace and rest.

We love you,

“ I always will remember our laughs about our diets and how we love to eat !!! How we used to say we girls are just fine because God made us and he don't make mistakes! I loved that you taught me I could love God and that I don't have to be afraid to ever show that in public! You always said "Girlfriend you got this ". God put you here to be a disciple for him and an angel to everyone who met you. You are a true child of God. You will be missed but I know you are home and we will laugh again together one day.

“ *Although I only met you a few times it left an impression on me. Jesus said that a tree is known by it's fruit. Judging by your fruit... (your daughter) I would say you must have been a mighty tree. I am praying for those who's time with you has been interrupted. I can't wait to really get to know you some day.*
