“ *Heaven definitely received another angel! Barbara was always a joy to be around - always had everyone laughing no matter what she felt inside or the pain she carried within her heart. She will be sadly missed. ...Barb, we know you had many unanswered questions about your illness but God had his own plan cut out for you. You lived beyond the norm according to his plans. Fly high up there and keep on smiling because now you are where the pain set you free....Love and miss you...Carla*
