“ *My dear sister Bobbie was very special to me. We would spend hours enjoying the things we loved to do together. Going to thrift stores and Hamricks. We would go see the sights just riding and enjoying each other's company. I would go and spend days with her when I could and at times we would just sit and talk about Jesus and how good he's been to us and our children and our family that had gone on to be with Jesus. We would pray together and sing and laugh and just love being together and going to church. I'm going to miss those phone calls every day just to check on each other. She was my best friend and confidant. I miss her already. My life won't be the same without my precious friend and sister. I loved her so.*
