“ *Barbara Rip! I had the pleasure of knowing Barbara for many wonderful years; a classmate at Riverton and at Buckhorn High School! She was a beautiful person with a beautiful soul! She had no enemies. I hope to see her beautiful smile again some day! Peace to her family and many friends! Lena j Rosenblum*

“ *Brian & Jason,
So sad to hear of the Death of your Beloved Mother.
She was always Nice and Sweet to me and I will always remember her for her kindness and sweet heartedness... be strong and Know even though she is Gone from your sight , She is now within Sight of Our Lord and Saviour Jesus Christ.. She is watching HIM and HE is watching Her.*

MM

“ You were a very sweet lady with a good sense of humor. I am glad that I was one of your classmates (Buckhorn High School Class of 1963). Our friendship is forever. I enjoyed the times that you would occasionally return to your Aunt Janie's home in Alabama and I would pick you up for lunch. We would eat more than we should, talk, and laugh. You were always disappointed if I did not pick you up in the Corvette. When we talked on the phone, if you could not hear my doggies you would say "I don't hear the doggies, where are they?" Once I put them up to telephone so you could hear and talk to them you were satisfied. There is so much to remember. I know you will have them laughing in Heaven. You can now rest in piece. God Bless You and You're Family

“ I'm so sad to hear about the passing of Barbara. I went to High School with her and graduated with her at Buckhorn High...a great classmate. Barbara will be missed by all who knew her. May fond memories ease the pain of her passing. Rest in Peace Barbara.

EG

“ I am so sad to hear about the death of Barbara. I went to school with her at Riverton then graduated with her at Buckhorn. I remember her spending a Thursday night with me when we were in the 9th grade. We talked and giggled all night only to have to get up the next morning, catch the school bus and go to school. I think we dozed in all our classes that day. She was one of the nicest people I've ever known and always had a beautiful smile on her face. Friends like her will always be remembered.
