“ When I first moved to Florida in 1974 with my daughter Tammy I started going to Riverland Baptist Church and met this family named the Walters. This is when I first met the sisters; Barbara, Sheila, and Greta and they made me feel like I was part of their family. We have shared so many memories over the years, we laughed (a lot of laughter), we cried, and was always there for each other. Our oldest daughters were both named Tammy, (Little Tammy and Big Tammy) and became best friends. Barbara worked at FDOT and helped me get a job there too. Both of us retired from FDOT and decided that we would move up north to be with our families, but we were always a phone call away. We were always on the phone with each other and spent hours just talking about how our families and friends were doing. She was such a caring person and loved her family so much. Barb I will miss you always until we meet again. Love Always and Forever...Bonnie
