“ *Robyn, Lori, Amy and families- I send my heartfelt sympathy to the entire Littleton family for this time and pray for the Lord's strength and comfort going forward. Your precious mother was such a kind and caring gentle lady. I loved her welcoming smile and kind words. I saw her last at Coach Chappell's funeral service. Along with your dad, Coach Littleton, who was my football coach from 1972-74, your mom was a dear friend. Often at Christmas they would visit Mary Lou and me for dinner and coffee in our Brunswick/St. Simons Island home. I will always treasure my fond memories of both Coach and Mrs. Barbara Littleton. The Lord will fortify all of you with wonderful memories. Call on them often. God Bless each of you and thank you for sharing your parents with us.*

“ I am so sorry for your loss of Barbara.. I got to know her when some alumni of Florence State college gathered in Chattanooga several years ago. then I got to know her more when she was able to attend WREA , retired educators's meetings. Since I am also a Gordon Lee graduate we always had things to talk about. She was instrumental in getting the high school involved in student applications for the WREA scholarshsips for students aspiring to be teachers.

When women alumni of Florence State were having annual reunions we attended several times. Her class and my class met at the same times, and we would drive over together, spend the night and then enjoy our Saturday meetings and drive back home. It was so much fun. I loved Barbara, and I will be remembering her family in my prayers. Jane Shelton
