“ *I am very sad at your loss, not only yours but everyone that ever knew Barbara. The first thing that popped into my memory was her happy smile that I knew in High School. I always recall that warm greeting as we attended several classes together. Never failing to treat everyone with that warm personality. Our prayers go out to you and your families. She will be missed.*

“ Dear Betty and Family. Barbara was my high school classmate and dear friend for many, many years. We had wonderful conversations during reunions and other get-togethers which Barbara always attended until ill health forced her to discontinue. Phone calls to and from Barbara were always filled with walks down memory lane and lots of laughs. She was a wonderful, caring, and loving woman who filled the lives of those she met with delight. Judy and I will greatly miss Barbara. Our deepest condolences to all of the family.
