“ *Verna, your Mother was a very sweet person as you already know . Your parents and mine (Elizabeth and Frank) enjoyed many events together... even a trip to my home after a Ga. football game. I have fond memories of the Watts and the Woodstation community. Those same people will be a comfort to you.*

“ I had the honor to work with Barbara at Ringgold Elementary in the early 80's. Although I taught 4th and 6th grades and Barbara taught 3rd, she was always very patient with a very young and "green" teacher. My deepest sympathy to Verna and the rest of Barbara's family.

“ I worked with Barbara back in the early 70's at Ringgold Elementary... where we bonded. Through the years when we would see each other, we picked up right where we had left off. That's the way she was! Loved unconditionally and always smiling and encouraging! Verna and family, I am so sorry for your loss, even as I rejoice that she is now forever with her Heavenly Father because of her faith in the Lord Jesus Christ. Love and prayers for each of you.

“ Barbara always had a place in her heart for everyone she met- especially the children. Her Countenance was Christ-like as she treated everyone like they were a son or daughter of Heavenly Father- and she always reminded us that we are His children!

Love you Cousin Barbara, love you Verna!

"...til we meet again!"

“ Verna, I am so sorry to hear of your mom’s passing. But she is in a much better place in Heaven with our Lord. I am so glad I got to meet her at your house the last time I was there. She was such a sweet lady. I just wish I could have met her when she was younger and in good health. Our prayers are with your family.

“ Aunt Barbara set a wonderful example for us all. She served others joyfully. For many years she brought me a gift on my December 25th birthday. She made sure the card and wrapping paper were for birthday instead of Christmas! She loved unconditionally. I’m so happy for her.
