“ I actually worked at CEF in Missouri for Barb and Paul along with our pastor's wife, Jenny. What precious times they were. I have such good memories of CEF people.

I have thought so often of your parents and kind of kept up with them through Jenny.

So sorry for your loss, makes such a difference when you KNOW where they are going.

Blessings from Iowa

“ My name is Becky Durham,
I worked at NHC where Barbra was at we had some great times together.

I can remember one time I hit my hip on the side of the bed and the expression on my face was so fun to her that she laughed at me till she cried , she really got a. Laugh out of that . We had a lot of fun together , and I wouldn't have changed it for the world. To me she was my friend. Even when I moved over to rehab I would still go and see her because she was my friend . I would always tell her I loved her and I ment it . Barbra was a Angel and she will. Always be one. I will always love her and will miss her dearly she is my friend . To Beth and Marty my heart goes out to you and to the rest of the family.

GOD took a wonderful lady that I will always love and miss..

My heart hurts and tears flow. I love you Barbra wingardner always and will always miss you. Love becky durham.
