“ Barry and I were good friends. He and I grilled out together a lot and went to car shows. He was always very kind and we always had a good time when we did things together. He would come to family events sometimes and even went to Florida with my family and I once. I will think of him and miss him very much. RIP brother. I will see you on the other side.

“ I've know Barry for several years. Not closely but our families are related so there were several opportunities that we were at the same place, at the same time. He was always kind & fun to be around. I cannot believe this has happened & I am so very, very sorry his family has to endure this pain. My heart is heavy for them & they are in my thoughts & prayers.
