“ Thank you, Ben, for taking me in when I was a young girl. Even though you worked hard often struggled to feed and house a family of five, you didn't hesitate to take one one more.

You were quiet, but had such a wonderful sense of humor. You were a faithful husband, a committed father and grandfather, and a Child of God. I can see you in my hearts eye rejoicing with angels.

I loved you then and will always carry you in my heart. I love you now because you loved and cared for me.

Go now, we will meet again...and expect a grand tour of your mansion!

“ Kathy, you and your entire family are in our thoughts and prayers. What an awesome man your father was. He worked so hard to provide, not only for you guys but for anyone in need. The world is a little dimmer without him here but find comfort that he is walking in the light with the Lord.
