“ We were so sad to see that Bennie has passed away. Brent was looking for his number to call him and could not find the number that Bennie had called hm from a few months ago. He had enjoyed their talk and had thought if we were back up in Northa Alabama that we would go up and see him. Prayers for you all as you adjust to not having his presence.

“ Bennie was my Uncle. His brother Ed was my father. I have several fond memories of Uncle Bennie and his family from my childhood that has stayed with me over the years. They were all always so kind to me. The last time I saw Bennie was in 2012 when my father passed. And I was surprised by just how much him and my father looked so much alike. :) He sat next to me during the service and was so sweet. I have been checking ever so often to see if my dads siblings had passed, due to their age. I saw this morning where his sister had passed last year. I loved Lillian as well. I am so sorry to hear about these passings. Your entire family is in my thoughts and prayers. I love you all. Even though it has been probably 25 years since I last saw Uncle Bennie's family.
