“ It hasn't been long since Dale and I spent an evening with Bernita. It was fun catching up and sharing laughs. It doesn't seem fair that she has passed at such a young age. God knows what he is doing although we don't understand at times. Hope the family finds peace in knowing she is rejoicing now with Our Heavenly Father and celebrating with Mom and Dad.

“ Never met her without a smile and never left her without one myself. I'll look for you this morning as I feel the wind, sun and leaves blow. We loved you here and love you more.

“ Larry, Leslie and family, I'm deeply saddened to hear the passing of Bernitta.
I hold such warm memories of our days spent at Mount Olive Baptist Church, our Youth Choir and our Rossville High School days. I was glad that Bernitta attended our 40 Year Class Reunion last month, the day after her birthday. It is a sad loss for the Class of '73. The Shrader family has always been special to me and my family. You will all be in our thoughts and prayers in the days and months ahead. God bless you all.
With deepest sympathy and love, Jan Campbell Brown

“ I am deeply saddened to hear about Bernittas passing. I went to school with her at Rossville Jr. High when it was on McFarland Ave. I moved away in the 8th grade. We kept in touch for a few years after that but time and distance came between us. A couple of years ago Bernitta, Teresa Critz got together for an afternoon of catching up and remembering old times. I enjoyed that day very much. We always wanted to get together again but never did. I will always remember her and her sweet comments that she posted on face book. My heart goes out to each one of you, her family. I know she loved each and every one of you. May God bless you in your time of sorrow.

“ *Missed already. One of the dearest friends anyone could have. She loved everyone and every living thing. An angel that has spread her wings and move on to a more peaceful place. She will always be in my heart and soul. Love you sweet lady.*
