“ The memories overwhelm me everyday. My sweet bossy Mammaw is so missed. I am jealous of her right now, dancing on the streets of gold. She doesn't know sorrow or pain anymore. I sure do miss her dearly. It won't be long Mammaw till I will be there and what a sweet day it is going to be. I can't wait to sit in your lap again in the rocker and rock all day.

“ Had some fun times with Betty and Ed growing up - They brought joy to our house when they were around us. Always enjoyed her singing. Jesus said there was something greater waiting for us - if it were not so He would have told us - And He didn't - I praise Him for caring for us here as well as there - Praying for your family during this time of sorrow

“ *My love and prayers are with the entire family. I remember her beautiful voice. Only the Lord knows how our hearts battle with grief and thanksgiving at the time of the passing of our loved ones. Just to know that they are with the Lord is a blessing that we must hold onto. May God wrap his arms around the family and friends at this time and in the days to come will be my prayer.*
