“ Pam & Karen....I am so sorry for your loss but I rejoice in knowing that your mother is spending her days in heaven with The King and with my mother. My mother loved your mother and you all. Both my parents thought of your parents as our family. I know you will miss her and these next days and weeks will be tough but through the process hold on to the love she gave you and the special memories that will always be there. I bet our moms are up there laughing and so happy to be together again. I will keep you and your families in my prayers. Much love to you both....Melody

“ I am J.W.'s granddaughter (Mike's daughter) and Betty was a beautiful and loving person. She treated me like a granddaughter from the moment I saw her! I remember every time Dad and I would come to see her and Papaw J.W. she would always make us "Tea Cakes" for the ride home (we lived in SC). She always made sure they had plenty and I mean plenty of food for us and no matter how loud I was (I was young at the time) she would laugh and laugh. I can still hear her still say "Oh Mike let her run!". Her smile lit up the room! She will be truly missed!

To her family: I miss each of you and hope you are doing well. I have not seen you in years but please know each and every person that had the opportunity to meet Betty, they are a better person! She was truly a wonderful woman! My prayers are with each of you!

“ We will miss Betty very much. I met her when she first came to Rosewood Assisted Living. She was very energetic and helped a lot of people. She also read to one of the residents that could not see to read for herself. Betty was an awesome friend to everyone.

“ I am going to miss Mrs. Betty. She was a precious woman of God and a genuine Southern Bell. I know you are walking the streets of gold Betty and have been reunited with your husband. What a joyful reunion that must have been for you!! I love you Betty!!!!

“ Betty brought smiles and much joy to our family. She and Arnold were very instrumental in our Christian walk. They were positive influences, sweet spirited and definitely gave meaning to "acts of love"!! Betty provided endless boxes of her famous teacakes to us. We would save the oatmeal boxes for her to "refill" again! They were a special addition at Ginger's wedding reception. I have always admired the pride she took in her appearance....always dressed so neatly and, of course, her sense of humor. We we blessed to have known her and will have a great reunion in God's timing.
